4th January 2019

Welcome back, we hope you all had a fantastic Christmas Break!

New Teacher

We start the term welcoming our new teacher in Wizards class, Mrs Clare Bennett. Mrs Bennett is a highly experienced and talented teacher and we are sure she will be a great blessing to the class and school community as a whole. Mrs Hastings will continue to teach wizards class for part of the week.

Coats

Now winter has well and truly arrived, please ensure your child brings a coat to school every day.

Breakfast Club

Just a reminder that we run a Breakfast Club each morning before school where children can be safely supervised and enjoy something to eat too. The cost of this is £4.00 per session. Parents can pre-book places or, with our current numbers, can simply turn up in the morning. Please note the start time for this is 7:50am as previously communicated by letter in the summer term. Apologies if there has been any confusion with start time due to the school website being inaccurate.

Jacket Potatoes

Please ensure that any Jacket Potatoes for the week are ordered on a Monday morning. We are unable to order them later in the week.
