Message from Mrs Lound, Head of School

It's been a fantastic first full week of the Spring term at Corpusty Primary School: pupils are working hard in class, continuing to make exciting progress in a wide range of areas and developing their social skills as they use 'conversation prompts' at lunch times.

Mrs Hastings has been and continues to be a great blessing to our school in a range of ways. We are pleased to announce that she has been appointed into a new temporary role of assistant headteacher. In this role, Mrs Hastings' main role will be to contribute further to school improvement and to deputise for me in my absence.

Our main focuses at Corpusty Primary are to ensure children are safe, happy and learning well. The team of staff at Corpusty are so skilled and dedicated showing a real commitment to contributing all that they can, and especially when another member of our team is absent from school. I would like to reassure you that with recent staff absences we have been able to select the very best supply teachers which is enabling us to keep our focus of safety, happiness and learning.

Should you have any concerns regarding the education of your child, please do make an appointment in the school office to meet with me to discuss this.

Special Menu - Thursday 17th January

Quick reminder that on Thursday it is Kid Inventors' Day lunch. Please note, if you have not booked this meal your child will need to bring a packed lunch.

Tesco Uniform

We have been informed that Tesco embroidery service will be closing on 12th February. The supplier has set up an alternative service, My Clothing, and we are assured that the transition will be a simple one! We will share more information regarding this once received. You can also order uniform through School Trends.
