15th March 2024

Dear Parents and Carers,

It has been a settled, fun week at Corpusty Primary School which has included a wide range of learning experiences for the children. In addition to the usual broad learning opportunities, we have enjoyed delving into the world of science with our Wonderlust Thursday Science Day. We loved seeing the inventive science dressing up creations some of the children arrived in! We had robots, bio-chemists, space scientists, as well as some animals for scientists to study. The children enjoyed a day of being inspired and excited about science. I wonder how many might become scientists of the future?

We were thrilled to welcome Mrs Lee, Synergy CEO, to both schools this week. She enjoyed meeting the children and staff. Her summary of her visit: 'Amazing students and amazing staff!' It is always a delight for me to see the children happily chatting to visitors about their school and, above all, doing it confidently.

Today we have enjoyed joining in with the nation as it raises money for Comic Relief. The children have enjoyed wearing a red nose, dressing in red or even just being in nonuniform. We understand that not everyone can afford to contribute to this charity and we hope that by making a donation optional all have felt able to join in.

We wish you a blessed weekend and will look forward to seeing the children back at school on Monday morning for another week packed full of learning.

Kindest regards
Mrs Lound
(Head of School)

Wonderlust Science day

We had such an exciting day on Thursday for Science day. We had lots of science challenges including making clouds rain, testing how far cars can travel down a ramp, planting seeds and floating and sinking experiments. The children enjoyed dressing up- we had an astronaut, beekeeper, doctor and many more.

Looking ahead to Easter!

EASTER BINGO

Our annual Friends Easter Bingo will be on Monday 25th March at 6.00pm in the school hall. This is a really enjoyable and successful family event that is great fun for all ages so please bring friends and family. Adults £2 and children £1. Please donate chocolate Easter eggs and please give them to Pat Sharp or drop them in at the school office. There will also be a stall selling Easter cakes so cake donations would be very much appreciated.

EASTER GARDENS AND BONNETS

All children have the opportunity to design and make a decorative Easter garden or Easter bonnet and bring them into the school library on the morning of Wednesday 27th of March. This is always a very popular event, and children always have great fun being creative and celebrating Easter. Please look at our 'Friends of Corpusty Primary' Facebook page under the photos section and scroll down to see excellent designs from previous years. There will be a £10 book token for one Reception / KS1 entry and one KS2 entry. Every child that enters will receive a small Lindt chocolate bunny.

The Friends will also provide chocolate Easter Eggs for an Easter egg hunt in the school grounds during the last day of the term.
