

9<sup>th</sup> February 2024

Dear Parents and Carers,

We were thrilled to welcome PC Bailey and his colleague into school this week. Tuesday was 'Safer Internet Day' across our nation and we enjoyed celebrating this day with a special assembly and a talk from the police. Children are more vulnerable than ever with such ready access to the internet through smart phones and tablets. With such free access to the internet, 'stranger danger' has taken on a whole new level of danger with strangers now having multiple ways of gaining access to your child across the day and night. Whilst educating the children is important, your role as parent/carer is crucial in ensuring your child's safety. Did you know that the age limit for 'Snapchat' is 13 years old? This age limit is there for very good reason: to keep children safe. We would urge you to take stock of your child's internet use, review to ensure that they are only accessing age appropriate material and remove anything from their devices which is out of their age limit. Please feel free to use us as an excuse to remove things from your child's device! We want to do all we can to work alongside you to protect your child from the dangers the internet poses; the last thing we want for your child is that they are groomed by an online predator. If you would like further support to know what 'age appropriate' is for your child or to put in place safe boundaries for the use of devices by your child, please make contact with school; we would be very pleased to support you in this.

Maybe your meal time discussions this week could be chatting as a family about what safe and healthy phone and internet use could be like for every family member? I wonder if your child might have some opinions about when and how often you access your device?

We have been pleased to welcome Miss Godwin to the team of teaching assistants at Corpusty this week. She is settling quickly and becoming a key part of the talented team already.

This week you will have received a letter with regards to Pupil Progress Parents' Meetings. Please return your booking slip or email the school office to book an appointment. We are looking forward to sharing information with you about your child's learning and so don't want anyone to miss out on this key appointment.

With all good wishes to you for a blessed weekend.

Mrs Lound  
(Head of School)
