12th July 2024

Dear Parents and Carers,

What a busy week of excitement it has been at Corpusty Primary: sports day, move up afternoon, welcoming our new intake of Reception children and Year 6 transition days at high school. I am sure the week has brought a rich mix of emotions for many of the children, including excitement, joy and nerves.

Whilst the move up afternoon and transition days will have brought excitement for many children, if there are things your child is worried about, please make contact with us so we can do what we can to smooth these worries rather than letting them build over the summer break.

We were thrilled that our very own Mrs Sharp has been chosen as employee of the month for Synergy. She works tirelessly for the school in her roles of employment, but also as part of The Friends group. She is a very special Corpusty Super Star! I am sure you will want to join me in thanking her for all she does and congratulating her for this award.

Next week, as well as a week full of learning, end of year school reports will be sent home, we will have a special assembly for our Year 6 leavers and please don't forget that school closes at 1:15pm on Friday. Your child will also bring home their exercise books next week; so please could we ask that your child brings a suitable bag to school to pack these in. We hope that you will find joy looking through their work from the year together.

Kindest regards
Mrs Lound
