Dear Parents/Carers,

R.E: Introduction of Multi-Skills Wrap Around Care

I would like to personally thank you for your patience and understanding while I have been working to organise wrap-around care for after school at Corpusty Primary School. I'm pleased to announce that we have successfully arranged for Multi-Skills Wrap Around Care, provided by Premier Education, which will take place every **Monday, Wednesday and Thursday** from **3:15pm** to **4:30pm**.

This provision will officially begin after the October half-term, starting the week commencing **Monday 4th November 2024**.

What is Multi-Skills?

Multi-Skills is a dynamic programme aimed at developing a broad range of physical and social abilities in children. The sessions are structured to foster key skills such as balance, coordination, agility, teamwork and communication through engaging, age-appropriate games and activities. Each session will provide opportunities for children to not only improve their physical fitness but also build confidence and collaboration with their peers.

Whether your child enjoys sports or is looking to enhance their motor skills, multi-skills offers something for everyone. It's designed to be inclusive, ensuring that children of all abilities can participate and have fun while developing important life skills. Additionally, a light snack will be provided during the sessions to keep the children refreshed and ready to take part in all activities.
